ANOTHER BIG ATTENDANCE

Blue Grass Fair Racing Proves Attractive to Lexingtonians.

Idle Hour Purse Appropriately Won by One of E. R. Bradley's Representatives.

LEXINGTON, Ky., September 2.—The attendance for the second day of the Blue Grass Fair was nearly equal to that of yesterday, and the racing on the whole was better. The contests were keener and finishes closer. The weather was bright and delightfully cool. The opening race was the Idle Hour Purse, named in recognition of E. R. Bradley's naturally beautiful nursery for thoroughbred horses. The public selected as their choice the black mare Busy Joe, bred and foaled at Idle Hour Farm and owned by Mr. Bradley, and they had the pleasure of seeing her win easily, though by a margin of only a length, the second place being filled by Miss Manage, a head in front of Woodpile, which led for the first half mile. Manicurist was not eligible for this race and was withdrawn. The backers of favorites were in line again when Mayrose won the second race in a drive with Cicely Kay, these two making the running all the way. The start of this race was poor, Dandy Van and Herself being virtually left at the post. Jockey Warrington was engaged to ride Cicely Kay, but failed to put in an appearance, Wolstenholm taking the mount.

John T. Ireland's three-year-old brown gelding Dark Hill, making his first start in the third race, scored an impressive victory at long odds. He was off forwardly and went to the front around the first turn. Along the backstretch the favorite, Stevenson, challenged and passed him, but only for a short way. Dark Hill again took command and held it gamely to the end, winning by a nose in 1:39⅘. He is a stout-hearted horse. G. Stone, a diminutive black boy, rode his initial race on Highland Mary.

Buck Nail was the choice for the fourth race, but he was never close to the money. View led the first three-quarters, but Willigan passed him in the stretch and Dahabiah II. got up in time to get second place by a neck. Starter Morrissey made this start without a barrier and it was one of his best.

Morrissey made another good, quick start without a barrier in the fifth race. The Canadian bush queen, Statim, went to the front and led for five-eighths, but died off in the stretch. Canfield, coming fast on the outside with Miss Wells, the favorite, got to the front in the last seventy yards and won by a half length, heads separating Benefactor, Aldebaran and Tokalon March.

RICH STAKES AT HAVRE DE GRACE

Three with $10,000 Added to Each and One with $5,000 Added Offered for Entries.

The advertisement of the Harford Agricultural and Breeders' Association on the last page of this issue gives testimony to the new departure which is to elevate Havre de Grace to prominence in the scheme of Maryland racing. The policy of giving a number of stake races of minor value has been abandoned in favor of a smaller number of such high values as to awaken desire in the minds of any and all owners for their capture. It will follow that they must inevitably attract the best horses of the year and give Havre de Grace racing a standing it has never heretofore possessed.

Four rich races are offered for entries. Two of these—the Harford Counfy Handicap, for three-year-olds and over, at a mile and seventy yards, with $5,000 added, and the Potomac Handicap, for three-year-olds, at a mile and a sixteenth, with $10,000, will close next Monday, September 8. The Eastern Shore Stakes, for two-year-olds, at three-quarters of a mile, with $10,000 added, will close for entries Tuesday September 16, and the Havre de Grace Handicap, for three-year-olds and over, at a mile and an eighth, with $10,000 added, is to close Monday, September 22. Owners should keep these dates in mind and govern themselves accordingly.

The Havre de Grace meeting will open September 11 and close September 30.

CURRENT NOTES OF THE TURF

One hundred and fifty horses still remain eligible to start in the $50,000 Latonia Championship Stakes.

How difficult it was to win at Saratoga may be ascertained from the fact that no one horse won more than three races.

There will be three races daily at the St. Joseph, Mo., Fair, to be held from September 9 to September 12. Gus Gannon is the secretary and Arthur McKnight will do the starting.

The Phoenix Hotel Handicap of $1,000, for three-year-olds and over, at one mile and a sixteenth, is the main attraction for opening day of the Lexington fall meeting, Saturday, September 13.

BREEDERS' FUTURITY A RICH PRIZE

With Ten Starters Gross Value Will Be Over $10,000—W. J. Young's Promising String.

LEXINGTON, Ky., September 2.—W. J. Young has twelve horses in training—five of his own and seven for others. Stevenson, a four-year-old bay gelding, by Hilarious—Responsful, is the senior of the string. He was a maiden until June 30 at Latonia, when he won easily. The other four of Young's own are two-year-olds. Captain Mac, a chestnut colt, by The Manager—Royal Dainty, by Royal Flush III., is the star of the quartet. He is a winner and also twice third in five starts. His owner regards him as a real prospect for the Kentucky Derby and this week stated that he had not so long ago refused a "lot of money" for him. "This is a fast and good horse," said Young, as he flopped the colt's mane over to the proper side of his neck. "With a decent break at the post, where he was off twelfth, he would have won the Cincinnati Trophy. He closed a big gap and was coming fast at the finish, where he was beaten only two lengths, a neck and two heads. He can run in the mud or on the dry."

Black Prince, a black colt, by Tony Bonero—Clothes Brush, by Ben Brush; Bubbles, a chestnut colt, by Pataud—Autumn Leaves, by Prince of Monaco, and Riddle, a bay filly, by Ellisdale—Wondawhy, by Sempronius, completes the complement. Black Prince is a two-time winner and a sturdy looking fellow. Bubbles, aside from being parrot-mouthed, is a trimly made colt, and Riddle looks as if she may solve the problem next fall. Her sire, is a son of Watercress and La Primera, by Joe Hooker, and she is his only representative of her age.

OUR LITTLE ANN SPEEDY FILLY.

The only three-year-old in the string is Breckenridge Riley's bay filly Our Little Ann, by Peter Quince—Little Oasis. She has never been to the post, but she has considerable speed, though diminutive in appearance.

Kenneth D. Alexander has in the stable two colts by Plaudit that have started, but have not won. They are Airdrie, the brown son of Cynthia, by Oddfellow, and Anticipate, the bay son of Antipathy, by Ornament.

C. W. Parrish's Woodford, bay colt, 2, by Fair Play, dam Sanctissima, by Lamplighter, and John S. Barbee's Sweep Jr., bay colt, 2, by Sweep—Evaline (dam of Ed Crump), by Deceiver, have started and have not won.

The yearling members of the string are E. C. Christian's chestnut colt by Handsel, dam Experience, and W. Showalter's chestnut colt by Brummel, dam Margaret Kent.

Sweep Jr. is eligible to the Breeders' Futurity, but it has not as yet been determined whether he will start. The race is twenty days away and by that time he may have shown sufficient to warrant his going out for that big prize. With ten starters the Breeders' Futurity this year will have a gross value of $10,170.

ORMESDALE TO RETURN TO THE TRACK

Will Race Again After Season in the Stud—Latest Gossip from Louisville.

LOUISVILLE, Ky., September 2.—After having served forty mares last spring Ormesdale, six-year-old son of Ormondale—Madchen, has been placed in active training by trainer George Land of the F. J. Kelley stable. The chestnut horse is going along well in his work, and Land is hopeful that he will get good results with him during the coming autumn meetings in this state. Ormesdale was bred by Richard T. Wilson, and as a two-year-old won the Keene Memorial Stakes for that turfman in 1915. He will be taken to Lexington with the rest of the F. J. Kelley horses some time during the present week.

Jockey Tommy Murray, Kay Spence's high-class lightweight rider, underwent a minor surgical operation here since his return from Saratoga, and it is doubtful if he will be able to ride before Latonia opens. He is able to be up and about, but the incision made in the operation has not responded to treatment as rapidly as was expected.

Frank Rector, who raced the erratic horse Sam McMeekin with much success in Kentucky last spring, is among the recent arrivals from Saratoga. He was among the Kentuckians who "drew a blank" at the Spa meeting.

Every stall at Churchill Downs has been whitewashed and disinfected, and the same treatment will be given the stalls at Douglas Park. General manager Matt J. Winn of the Kentucky Jockey Club has appointed a sanitary inspector for both tracks, and his duties will be to look after the cleanliness of the stabling facilities at both plants.

Captain James Kinnarney, who had charge of the policing arrangements at Churchill Downs and Latonia last spring, will be employed in a similar capacity at the Lexington track at the coming fall meeting.

Former jockey Bryant Ott, who recently returned from France, where he was a member of the American Expeditionary Forces, has resumed his old position with the George J. Long stable. He brought back a French-bred fox terrier dog, which he calls "Grizette," and she and four puppies, to which she recently gave birth, are a big attraction around the Long stable. "Grizette" has taken kindly to the thoroughbreds of the establishment and she and her family of "allies" visit each stall several times a day to hobnob with the horses.

PREPARING FOR NEXT YEAR'S RACING

Owner G. W. Beardmore Adds Five Head to String—Stanhope II. Dead—Canadian Gossip.

TORONTO, Ont., September 2.—That local horsemen have confidence in the resumption of racing in Canada is evidenced by the preparations being made for next year. George W. Beardmore who last spring won the King's Plate with Ladder of Light, has added five head to his string, which he purchased from Mrs. L. A. Livingston. They arrived at Woodbine Park last Friday from Pontiac Farm, Cobourg, Ont. The quintet are in charge of trainer Joseph Doane, and although yet unbroken, they will be pointed for the Plate and other events for Canadian-bred horses next season.

Four three-year-olds and one two-year-old make up the string, their names and breeding as follows:

Almighty Dollar, b. g, 3, by Bowling Brook—Athlene.

Apple of Sodom, b. f, 3, by Stanhope II.—Adaline M.

Lively Sleeper, br. f, 3, by Stanhope II.—Adele Harding.

Silver Dawn, b. f, 3, by Stanhope II.—Scotch Mist.

Wandering Wood, b. f, 2, by Kingship—Present Arms.

Recently Mrs. Livingston sold to Harry V. Colt, of Geneseo, N. Y., five two-year-olds and six three-year-olds, which cleans out the older division of her Canadian-bred string.

The ten yearlings still at Pontiac Farm will all be shipped to trainer Doane in the near future by Mrs. Livingston, to be broken at Woodbine. It is possible that Mr. Beardmore may also purchase this band of juveniles, many of which are fashionably bred. Following are their pedigrees:

Bay filly, by Stanhope II.—Hebe.

Chestnut filly, by Kingship—Aurora Raby.

Chestnut filly, by Galatine—Mary Bud.

Bay filly, by Kingship—Present Arms.

Bay gelding, by Stanhope II.—Kermess, brother to Kama.

Bay gelding, by Stanhope II.—Simlah.

Bay filly, by Stanhope II.—Flagging Spirit.

Brown filly, by Stanhope II.—Missing Link, a sister to Ladder of Light.

Bay filly, by Kingship—Adeline M.

Bay filly, by Stanhope II.—Athlene.

ONE OF CANADA'S MOST SUCCESSFUL SIRES.

The latter youngster is now an orphan. Her dam died shortly after foaling, and Stanhope II. was destroyed last week. He was twenty-two years old and had not only become mean, but had outlived his usefulness as a sire. Although this good son of Florizel II. never raced, he was one of the most successful sires that ever stood in Canada and sent many winners to the post. His most recent triumph was marked by the victory of Ladder of Light in this year's King's Plate.

Tartarean was another Plate winner sired by Stanhope II. Kama and Kingly are other sons of the famous sire to earn fame, among the latter's many victories being the $5,000 Toronto Cup at Woodbine. Stanhope II. stood seventeen hands high and when in condition weighed 1,350 pounds.

Kingship is now the only sire remaining at Pontiac Farm, and of the sixteen mares there five of them have foals by the son of Ildrim.

With the shipment from Pontiac Farm came Mr. L. Davies' Impress, which has been mated with Kingship.

Trainer John Walker has purchased from the Thorncliffe Stable the three-year-old Bugle March. He is at Woodbine Park, and it is Mr. Walker's intention to educate him for steeplechase racing. Another prospect for cross-country racing being schooled at that course is Charles Crew's Pepper Sauce. He is in charge of ex-steeplechase jockey Eddie Kelly and is taking to jumping in promising style.

With no immediate prospect of racing here this year, T. Maher has decided to turn out the three-year-old Plymouth Rock, by Rockville, and the two-year-old Gallant Groom, by Galatine—Bride Lane. Both have been in training at Woodbine all season and have worked well.

Trainer John Graver is likely to ship Goblet and Uncle John to Kentucky for a fall campaign. Both have been rested up here during the summer, but are now in active training again.

Word reached here from Saratoga that George Simons' Mandarin has gone wrong, as has also the Canadian-bred Master Fox.

NUCKOLS, JR., NEW ORLEANS STEWARD

LEXINGTON, Ky., September 2.—Sam C. Nuckols, Jr., of Versailles, secretary of the Kentucky State Racing Commission, and one of the stewards at the Kentucky Jockey Club's race meetings, has been named as one of the three stewards for the winter meeting of the Business Men's Racing Association at the New Orleans Fair Grounds. A report from New Orleans is to the effect that the other two stewards will be Joseph A. Murphy of St. Louis and J. B. Campbell of New Orleans.

As regards his own employment, Mr. Nuckols, who was here today to attend the Blue Grass Fair, made confirmation of the report, but as to whom his associates in the stand will be he had no information to impart, but he did say that he has accepted the appointment with the understanding that the three stewards shall have equal authority.

MUDDY GOING AT BELMONT

Changed Track Conditions Bring Scratching and Small Fields.

Hildreth's Thunderclap Defeats the Favorite, Over There, in the Jerome Handicap.

NEW YORK, N. Y., September 2.—Rain, which fell the night before, rendered the Belmont Park course muddy today and was responsible for several withdrawals, the Jerome Handicap, for three-year-olds, the day's stake feature, being the chief sufferer thereby. In this race S. C. Hildreth's Purchase, assigned top weight of 138 pounds, the same owner's Lord Brighton and Passing Shower were scratched, leaving Thunderclap to carry the Hildreth colors, Over There, the main reliance of the W. R. Coe stable, and War Drive, an added starter, being the most prominent contestants.

Over There, on his good form displayed at Saratoga, was installed an odds-on favorite in the Jerome, being coupled with the other Coe starter, Athlone.

The result, however, was a surprise when Thunderclap, S. C. Hildreth's recent acquisition, proved the winner. Over There soon raced to the front and led until well in the stretch. Thunderclap then raced up on the outside, and under a drive came away to win by a safe margin. Interest was stimulated in the meeting of Thunderclap and Over There, as the former was until a few days ago trained by W. H. Karrick, who has Over There in charge for W. R. Coe. The horse was sold to J. E. Madden, who in turn disposed of him to S. C. Hildreth. The latter proved his judgment to be correct when the improving Vulcain—Bandana three-year-old took the measure of such a star mud runner as his former stablemate.

Frank Waters took the first race from an indifferent band of platers after beinlg well supported at a liberal price.

Goblin proved best in the steeplechase after a good contest with Gullflight. The two ran closely aligned for almost the entire distance. Goblin, in taking the last two hurdles, swerved out badly, losing ground, but under a steadying ride had speed enough to hold Gullflight safe.

Biff Bang repeated his last winning race by taking the third from J. E. Madden's Larghetto by a scant margin.

COE ENTRY RUNS ONE, TWO.

The Coe stable was successful in the fifth race when Star Court and Masked Dancer ran one, two. The latter led until in the final eighth, where Star Court, which had been in closest pursuit, took the lead. Thelma E., running a good race, was third.

F. Williams, the steeplechase rider, has decided not to ride in France, he having contracted to ride for the stables of J. W. Gwathmey and T. J. Donahue for the remainder of the racing season.

Judge James J. Quinn of California and well-known as a former racing official was a visitor, it being his first trip east in some years.

In future the first race will be called at 2:30 p. m. promptly each day. This is made necessary in order to have efficient and timely railroad service and is requested by the Long Island Railroad.

Joe McLennan was at the track today in the interests of Havre de Grace, for which the stake entries close next Monday. "My chief object, however," said Mr. McLennan, "is to interview the horsemen and those concerned to add some new features for the fall meeting. I just want to find out what sort of races would suit the horsemen. We have three $10,000 stakes to be run on each of the Saturdays, but we are willing to put on two or three more features to be run on the middle days of the week, and I want to get an idea of the conditions that would be acceptable to owners and bring out representative fields. The new owners of Havre de Grace wish to encourage an increase in stakes and purses, but it is no use putting on stakes unless we can get the horses of the better quality to run for them. If I meet with any sort of response from the horsemen I feel certain there will be two or three new stakes inaugurated."

ETHEL GRAY BADLY INJURED.

Mr. Montford Jones' filly Ethel Gray was so badly kicked on the inside of her left leg that it will probably be three or four weeks before she can be raced again. It was this injury that was responsible for the bad showing she made in the Hopeful Stakes at Saratoga last Saturday.

Roamer has been sent to the Shutts Farm, New Jersey, and turned out for the year. If he recovers from his lameness by next spring he will be trained again.

No one will lose any more money on He Will. Fred Burlew, his owner, gave him away to a doctor in Saratoga, the horse having broken down so badly that it would be almost impossible to train him.

Willis Sharpe Kilmer is probably one of the most liberal owners of the fashionable circle. He pre-

MUDDY GOING AT BELMONT

(Continued from first page.)

sented his trainer, Henry McDaniel, with $1,000 when his horse Sun Briar broke a track record at Saratoga, and has awarded him a half share of the Saratoga Cup stake won by Exterminator of $5,350. Mr. Kilmer is setting a good example in recognizing the fact that the preparation of a horse is the foundation of success and is a far more important factor in racing than is generally conceded.

It looks as if Walter Jennings and the Macomber stable are breaking their streak of ill luck. War Cloud broke the ice by running probably one of the best races in his career.

"There is no question that Cudgel is averse to the going or the reverse direction of travel at Belmont Park," said Mr. Bedwell after the defeat of the horse in the Belmont Park Autumn Handicap. It was noticeable that Cudgel did not run with that free action for which he is noted.

Max Hirsch has decided to run Papp on the flat again in the fall. He schooled him over the jumps for a while and he went at the obstacles so rapidly that his trainer thought it better to give him another chance on the flat.

Jockeys Erickson and Loftus have arrived from Montreal, where they rode in Monday's races.

Outside of the Jerome Handicap the program was ordinary, cheap selling platers and maiden two-year-olds being at the top and bottom of the card.

JOHN WARD TO RACE IN MARYLAND

Midway, Escoba and Dodge to Be Sent After Valuable Long-Distance Fixtures.

HARVE DE GRACE, Md., September 2.—The stable of John S. Ward of Kentucky will campaign on the Maryland tracks—Havre de Grace, Laurel, Pimlico and Bowie—this fall. And the horses that Mr. Ward has brought to Havre de Grace include J. W. Parrish's Midway, winner at Churchill Downs last spring of the $10,000 Kentucky Handicap, in which his most formidable opponents were Beaverkill, Exterminator and The Porter; Kenneth D. Alexander's Escoba, winner of the Breeders' Futurity at Lexington in 1916, and the veteran Dodge, a son of Jim Gaffney, and one of the great three-year-olds of the season of 1916. Mr. Ward developed Dodge four years back, and at Saratoga in August 1916 sold the Jim Gaffney colt to A. K. Macomber for $25,000. Under Mr. Macomber's silks Dodge picked up 126 pounds and defeated the then redoubtable Spur in the Saranac Handicap, running one mile in 1:38. Mr. Ward bought him back in Kentucky some seven weeks ago, and he believes that Dodge will make a first-rate long-distance runner again.

Dodge and Midway and Escoba will be named for all the long-distance races to be decided in Maryland in the fall. Midway, which won the Saranac Handicap of 1917, went to Saratoga in July to be prepared for the Saratoga Cup. But he was suffering from an injured foot and his injury did not heal in time. He is, however, in splendid condition now and he will be ready, Mr. Ward believes, to bear the silks of Mr. Parrish, who is a tobacco grower and banker of Midway, Kentucky, in the $5,000 Harford County and the $10,000 Havre de Grace Handicaps at Havre de Grace. Midway, a son of Ballot—Thirty-third, is a brilliant long-distance runner. He has fine speed also. Last summer at Saratoga he made the speedy Sun Briar gallop one mile in 1:36⅕ (a new American record) to beat him in the Delaware Handicap. After the Havre de Grace Handicap Midway will be pointed for the $7,500 Annapolis Handicap, a race of one mile and a half, for three-year-olds and over, that will be decided at Laurel on October 11, and after that he will train for the $10,000 Bowie Cup and the $5,000 Pimlico Autumn Cup.

There are about 300 horses stabled at Havre de Grace and many more arriving daily to take part in the fall meeting, which opens September 11.

PERMANENT ORGANIZATION PLANNED

American Remount Association Started in Both This Country and France by Army Officers and Men.

NEW YORK, N. Y., September 2.—Steps looking toward the formation of a permanent organization are being taken by the members of the American Remount Association. This organization was started in both the United States and France by officers and men of the remount service. Since the A. E. F. members have returned to the United States steps are being taken to bring both forces together and aid in the furtherance of the plans to boost the horse breeding industry in this country.

Thirty men who have played a prominent part breeding and racing horses in the United States and who have been connected with the remount service during the world war have been named on the temporary executive committee. This committee has been notified by the acting secretary that it will meet sometime in October to work out a permanent organization. At that meeting the officers of the association will be named.

The officers and men of the remount service are enthusiastic about the organization, and a campaign will be launched to interest all of the horse breeders, jockey clubs, state and county fairs, horse shows and racing associations in the welfare of the association.

The purposes of the association are:

(a) To promote interest in the breeding of better horses for the U. S. Army and for other uses.

(b) To promote interest in horsemanship in the army and throughout the country.

(c) To encourage such legislation, both state and national, as will benefit the horse breeding industry of the United States.

(d) To co-operate with national, state and local horse shows, recognized racing associations and commissions, horse breeding associations, jockey clubs and to assist in providing classes and purses for animals of any army type or for animals from which to breed such types.

(e) To assist in the location and procurement of stallions for use of the army remount service.

(f) To gather and compile such information as may be of value regarding local prices and numbers available of horses and mules for sale to the army and in general to render all assistance possible to the remount service in the procurement and breeding of animals.

(g) To assist the remount service in procuring suitable personnel for the officers' reserve corps remount service.

(h) To conduct a campaign of publicity and education in all matters pertaining to the horse and mule interests as applied to the army and to gather and compile such historical and other data as may be required for this purpose.

(i) To encourage clubhouse facilities at remount depots for the benefit of officers stationed there and for members of the association.

(j) To make a study of all questions pertaining to the breeding of the army type of horses and draw up recommendatons to be submitted to the proper authorities, embodying the ideas and suggestions of the association.

(k) To arrange for the publication of an official organ or to select some existing publication as such.

(l) To encourage the establishment of polo fields, jumping courses and race tracks in connection with remount depots and army posts and, in fact, to encourage all sports that cause a greater demand and therefore greater production of horses.

(m) To assist in the promotion of an esprit de corps in the remount service.

(n) To help determine the best type of horse for each of the army purposes, to encourage the establishment of an experimental breeding farm and to encourage endurance tests and competitions between the different types and breeds of horses.

(o) To accept and receive gifts in cash or silver plate and such other gifts, legacies and bequests as would serve to carry out the purposes of the association.

(p) To hold an annual reunion at the time of the annual meeting to bring together those who have served in the remount service and those who have become interested in it.

ALL CLASSES OF HORSEMEN REPRESENTED.

The executive committee is made up of men from New York to California and from Wisconsin to Kentucky. All of these men have had considerable experience with animals, and all of them saw service during the world war. There are thoroughbred, saddle horse, trotting and pacing as well as heavy horsemen represented. Incidentally, there are a few of the best known polo players in the country in the list. There is only a sprinkling of regular officers represented, and they have proved that they know horses and are dyed-in-the-wool enthusiasts when it comes to the boosting of the breeding of animals.

Following is a list of the members of the executive committee and their addresses:

Lieut.-Col. R. H. Williams, Jr., No. 1 Broadway, New York; Maj. W. Plunkett Stewart, Commercial Trust Building, Philadelphia; Maj. James W. Appleton, Ipswich, Mass.; Maj. John R. MEMBERSHIP AND RULES.

There are four classes of membership in the association—honorary, charter, regular and associate. There are also provisions made for life members. The proposed rules laid down for the four classes follow:

Honorary—The honorary members of the association shall be the Chief of Staff of the United States Army; the Secretary of Agriculture; General John J. Pershing; the Chief of Remount Service, United States Army; the Chief of the Bureau of Animal Industry, and such others as the association may elect from time to time.

Charter—All present and past commissioned and enlisted members of the Remount Service of the United States Army who have been on duty with the remount service either in the United States, or with the American Expeditionary Force who join the association within one year from the date of its organization.

Regular—(1) Those eligible as charter members who did not join the association within one year from date of its organization.

(2) Officers of regular army, national guard and officers' reserve corps that have not been in the Remount service of the United States Army.

(3) Members of national, state and local horse shows, recognized racing associations and commissions, horse breeding associations, jockey clubs, hunt, steeplechase or polo associations, and such other similar associations as may be approved by the board of directors.

Associate—Any persons interested in horsemanship and horse breeding. All members shall be in the national association, the object of state branches being to provide an organization in the state to carry out the purposes of the association.

Members shall be elected in the following manner:

Honorary—Proposals for honorary membership shall be by petition addressed to the secretary and signed by at least five charter or regular members of the association. Such names will be acted upon at the first regular or special meeting after their receipt. Names of those to be voted on for honorary membership will be posted on the association bulletin board at least ten days prior to the date of the meeting.

Charter and Regular—Application to be made in writing to the secretary by the person desiring membership and to be acted upon by the board of directors.

Associate—Application to be made in writing to the secretary by the person desiring membership, to be indorsed by an honorary, charter or regular member and to be acted upon by the board of directors.

BREEDING STATES TO BE REPRESENTED.

It is planned at present to get every horse breeding state represented on the executive committee. Through the members of the committee campaigns will be started in every state looking toward the betterment of breeding conditions. The campaign will not be waged along one particular line in the hope of producing a better light artillery horse or heavy draft horse, but will embrace all classes of animals that are represented in the army. However, particular attention will be paid to the cavalry horse, as that branch of the service has been handicapped for many years because of lack of proper mounts.

Those fostering the movement are of the opinion that by going to the bottom of things the remount association will be able to help immeasurably. In order to do this it is planned to co-operate with county and state fairs in the giving of prizes to stimulate the production of better horses.

The American Remount Association members hope to help develop the inherent love of animals which lies in the breast of all. During the past twenty years there has been a decided falling off in the interest in horses except in certain circles. The Remount Association wants this interest to become general.

When the remount service began choosing officers and men for work in the United States and later overseas during the great war it was surprising the number of men who acknowledged that they knew nothing of handling of animals. This applied even to some of the men who had lived on farms. A large percentage of men who knew horses fairly well were ignorant of the art of caring for harness and other horse equipment.

During the past two years thousands of Americans have been taught much about animals and the Remount Association is determined that this knowledge shall not be lost. It is hoped that the state and county fairs, as well as trotting, pacing, gaited animals and thoroughbred organizations will co-operate with the association in its aims.

Prior to the entry of the United States into the war there was a tendency to get away from the horse. He was too slow. But many men who have seen mounted service or, for that matter, many who have been in the field for the past two years do not want to get exercise to and from their offices by walking each day. There is not enough exhilaration in it. That a greater demand for riding horses will grow out of this desire to get out in the open in afternoons after working hours is the belief of many members of the remount service.

If the association meets with anticipated success a clubhouse will be erected in some state where it will be possible for members to sojourn for hunting, fishing and riding. At present the membership is over one hundred. These members came in without solicitation and it is believed that when the drive is over there will be a thousand enrolled.

BEST BRAND OF RACING POSSIBLE

President R. T. Wilson Says Saratoga's Policy Has Always That End in View.

SARATOGA SPRINGS, N. Y., September 2.—President R. T. Wilson of the Saratoga Association for the Improvement of the Breed of Horses, had the following to say concerning the great race meeting which was brought to a most successful close on Saturday:

"It has always been the aim of the association to furnish the best quality of sport and, judging by the size and quality of the patronage given us, our efforts have been successful. We are grateful to the thousands who have day after day honored us with their presence, and if they will continue to come to Saratoga we guarantee to give them the best brand of racing possible. Our policy has always been a liberal one. The increase in stakes and purses for the current meeting was more than $30,000, and horsemen may depend upon the same progressive spirit as long as the public show their appreciation of our efforts.

"The purchase of addjtional land will enable us to still further beautify our splendid grounds and a new entrance on Union avenue is one of the improvements already planned.

"Racing is a splendid sport when it is given under such conditions as exist in this state. The growth in popularity within the past seven years has been greater than the most sanguine could have hoped for, and taking the degree of enthusiasm shown during the meeting and the eager demand for blood stock as a guide, the future of racing and the breeding industry is full of promise.

"It is fortunate that many recent recruits to racing are men of wealth," said Mr. Wilson in concluding, "as racing is a luxury. The breeding of thoroughbreds calls for both money and brains as well as infinite patience and fortunate is he who can break even and have his pleasure as well. The good, however, which comes to the country at large through the perpetuation of the thoroughbred is sufficient compensation to most of us though every man likes to see his colors in front. It is my belief that there will always be a sufficient number of public spirited men to keep racing and breeding alive."

ANSWERS TO QUERIES.

Communications without names and addresses will not be noticed nor answered. No answers will be sent by mail and none by wire unless reply prepayment is made at time of wiring query.

J. H. F., New Orleans, La. There is no two-year-old named Golden Brown.

Alcazar, Peoria, Ill. Colin started in twelve races when a two-year-old and in three when a three-year-old. He won them all and $180,912 in money.

J. C. C., Hamilton, Ont. A wager on a single horse of a coupled entry wins when the stablemate wins, provided it also starts. If it does not start the wager is a draw.

F. A., Chicago, Ill. In each and every case named M is wrong. Botafoga is a South American horse, bred and raced in Argentina, mostly at Buenos Aires. He is the best race horse ever bred in that country.

A. B., Cincinnati, O. Nothing but the final official placing by the judges determines the positions of horses in a race. In the race inquired about Old Rosebud finished third, but was disqualified and placed last. A wager horse against horse between him and Flags would have been a draw, because neither was placed.

The fastest move at three-quarters was Happy Go Lucky's 1:15, and Bonstelle showed the next best at the distance in 1:16. The fastest at five-eighths was Bars and Stars' 1:02⅗, and the nearest approach to that was Black Prince's 1:03⅗. Skeer Face galloped a half in 49⅘, but the order of the day at that distance was around 51 to 52. Tom Logan, Lillian G. and Bourbon Green each worked three-eighths in 37.

The small figure under "Str." shows the distance the horse was ahead of that next in the race. The small figure under "Fin."—unless the horse won—shows the number of lengths the horse was behind the winner. Weight to be carried appears at top of column of weights in previous races. The M after the horse's name means Maiden.
